

Legacy of Fatherhood Nomination Overview

Annually, ForeverDads host a Class Reunion for members of the Legacy of Fatherhood. During this reunion, names for future nominees are fielded. Additionally, throughout the year, community members will field names for submission for consideration, as well as during the event committee meetings, to the Legacy of Fatherhood. Each name submitted should have background information that addresses the key points as listed below in the selection for consideration. Submission are provided to the Executive Director or designee who will maintain the information until the convening of the Tribute Make It Happen NOW! committee which reviews all submissions.

Guidelines for Submitting a Legacy of Fatherhood Candidate:

Each year a class of five nominees, and additional alternates are selected by the Tribute Make it Happen NOW! committee which are then submitted to the ForeverDads Board of Directors for consideration, conversation and approval.

- Selection for consideration will be made on the following key points:
 - *Dedicated to Family*
 - *Valued by the Community*
 - *Responsible, Present and Engaged*
 - *Mentored/ Involved with the Community*
 - *Active in their Faith*
 - *Lives with Integrity*
 - *Work/ Affiliation/ Education*
- Candidates “seasoned” in life are the primary focus. (**preference 70 years or older**)
- Ideally four living nominees and one deceased nominee. (*Never forgetting those who have passed*)
- Diversity is a important consideration as the class is formulated with regards to vocations, markets, religion, race, etc.
- **Active** ForeverDads Board Members or Committee Members are excluded from nomination as well as their extended families without special consideration.

Additionally:

An organized list of past, current, and future nominees will be maintained by the ForeverDads Executive Director or designee, and the Tribute Make It Happen NOW Committee Chairperson.
